Remarks

**Discover this newly built East Allentown home crafted by a long-term, highly experienced local builder known for quality construction. This property was built with upgraded materials and thoughtful details throughout—no corners cut. The main level offers an inviting open-concept layout with luxury plank flooring, ceiling fans, overhead lighting, and even closet lighting on the first floor, showcasing the builder's attention to detail. Additional conveniences include a first-floor laundry hookup and a powder room. A concrete patio provides a great outdoor space with potential for future expansion. The second floor features a well-appointed primary suite with a private full bathroom, along with two additional bedrooms and a second full bath. The home is designed for years of low-maintenance living. Located minutes from major highways, businesses, restaurants, and shopping, this is a rare opportunity to own a brand-new home built by a reputable local professional.**
